**Assembly Instructions**

Banner B attaches to the front of the frame with the top two corners and the back of the frame on the bottom two corners. Or this can be reversed with the bottom two corners in the front and the top two corners in the back.

Storage Instructions

Store in a cool dry environment. Make sure that your graphic banner is dry before storing.

Care Instructions

Graphic banners are machine washable. Tumble dry low.

Warranty Information

All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
